DEAR MEMBERS AND FRIENDS:

ALL SOUTH BREVARD HISTORICAL SOCIETY MEETINGS ARE CANCELLED THROUGH JUNE OF 2020.

It is disappointing but we know you understand and are probably relieved that we are taking all precautions to ensure the health and safety of ourselves, our families and our neighbors of the Brevard community. We did make the decision just before the Melbourne Fee Avenue Public Library announced it was closing indefinitely.

We will keep in touch with you regarding our fall 2020 program schedule. Board members are keeping in touch via phone and the internet and we continue to work on improving and strengthening the SBHS. Official, medical and scientific guidelines will govern our decisions as we move forward. Please take care of yourselves and STAY WELL!!!!

THINGS TO DO.....

While discussing plans with the SBHS Board, ideas for “what to do during this downtime” emerged. I have a ketchup list. (I can’t bear to think of it as a “catch up” list) My first item should be to throw away some “ketchup”. I’ll adopt a “best used by” guideline as I sort through the “bottle”.

Other Ideas:

- *call a cousin
- *go through your stash of old family photos and be sure they have ID information (with pencil on the back)
- *most of us have a supply of “books to be read”
- *begin your genealogy – join Ancestry.com
- *write your personal history to pass along to the next generation
- *keep in touch with friends by phone
- *there’s always the clean out of closets...drawers...papers.....
- *pulled out a puzzle lately?
- *Google a strange word and see where the search takes you
- *visit youtube to watch past SBHS programs
