

PRESERVING TIME!

South Brevard Historical Society Presentation and Discussion of Living History

This month's **FREE** program is titled: FLORIDA SEA TURTLE

Sea turtles are among the oldest creatures on earth and have remained essentially unchanged for 110 million years. However, they face an uncertain future. The contiguous sandy beaches of Brevard and Indian River Counties have been the most important loggerhead nursery areas in the Western Hemisphere throughout history.

Presented by

**SEA TURTLE
PRESERVATION
SOCIETY**

Craig Konkel

Craig, has been a lifetime STPS member since 2007 and his talk will be on the " Sea Turtle Preservation Society and the importance of Brevard County in nesting."

Join us in recognition of our Local Legend the Sea Turtle
Saturday January 11th 2020 from 3:00pm –4:00pm

*To be held at the Melbourne Public Library
540 Fee Avenue, Melbourne FL 32901*
